Friday WSFS Business Meeting Report

The Main Business Meeting of the World Science Fiction Society Business Meeting will be held on Saturday morning at 10:00 AM in room 230. All attending members of Worldcon may attend, participate, and vote.

Saturday’s meeting is the Main Business Meeting. Scheduled items include voting on ratification of proposals passed on from last year’s meeting. If ratified, they become part of the WSFS Constitution at the end of Worldcon 76. The ratification of “Lodestar” as the name for the new Award for Best Young Adult Book is up for a vote today along with several other relatively minor changes.

The “Counting Comics” proposal (D.2 on the agenda published on the Worldcon 76 WSFS Business Meeting website) and “Best Podcast Hugo Award” proposal (D.4) were killed and will not be considered. The proposal affecting the Professional and Fan Artist Hugo Awards (D.5) was postponed until not before 11:00 AM Sunday. All other constitutional amendments (sections C and D) will be considered starting at 10:00 AM Saturday.

Worldcon 76 thanks Google for providing coffee/tea for the Friday and Saturday Business Meetings.

**Fairmont Parties Update**

**Party Attendees**

Please be mindful of other guests in the hotel and keep the volume of your conversations down as much as you can. Please don’t take your conversations out into the hallway. Instead consider the downstairs lobby. Be aware that the hotel is limiting party attendance to 30 people per suite, so if a party host asks attendees to “ mingle” to meet this need, please know that you can head to another party and then return to your favorites shortly.

**Mobie Storage**

The hotel has asked that Mobies be parked in the South Tower lobby in order to not congest the hallways outside parties. They will provide some seating near the elevators to help folks who need to sit while waiting for an elevator.

**Volunteers Needed for Elevator Hosting**

We still need volunteers to help us get folks up and down to the various party floors—please consider giving an hour or two to riding the elevator to assist.

**Party Hosts**

The hotel has requested we limit party attendance to 30 people at a time for fire code regulations. While the hotel has put convention attendees in rooms surrounding the party suites, we can’t guarantee that all four floors are ONLY attendees. Please keep your room door mostly closed, try to keep noise down in your room to the best of your ability, and occasionally step out into the hallway to check that folks aren’t congregating in the hallway and can take their conversations to the lobby.
